In-Network Insurance

If billing an in-network insurance company, you will be responsible for any portion of the contracted rate that is not covered by your insurance. Contracted rates may be less than that stated in the fee schedule. Along the Path will submit the claim to your insurance provider. You will be notified by your counselor of the amount due and if desired, issued a monthly statement for any portion due at the time statements are printed. You may also opt to have payments made automatically when claims have been processed by your insurance, using a card on file.

Out-of-Network

Fee for services are non-negotiable and are due at the time of service. If you desire, a claim can be submitted to your insurance. You will be designated for the assignment of benefits. Meaning, if you have out-of-network benefits, your insurance company will reimburse you directly. You will also receive a Good Faith Estimate of the cost of services and will need to sign a waiver acknowledging that you are receiving services with an Out-of-Network provider.

Uninsured or Electing Not to Use Insurance

Fee for services are non-negotiable and are due at that time of service. You will receive a Good Faith Estimate of the cost services.

PLEASE NOTE

Most insurance companies (both in and out-of-network) do not reimburse for Life-Coaching, review of records, extensive phone consultation or missed appointments.
